“Leagues, pay-for-play organizations, or any teams requiring absolute field commitments are required to submit reservation requests and pay the amounts under ‘Recognized Organizations’. Non-organizations or pick up groups have the option to either use any of the fields or courts for a fee on a first-come basis, or pay for the reservation under the appropriate column (resident or non-resident). Commercial use is any person or persons profiting from the use of the Park like tennis lessons, soccer clinics, batting clinics and exercise classes. ”
