---

1. Provide a plot plan of the property that reflects all existing and proposed structures and a table of existing coverage. The plan should also include setbacks from property lines along with any easements or right-of-ways.

2. Detailed construction drawings of the proposal must accompany permit application.

	Size	Height / Size	Spacing
Column			
Joist			
Decking			
Beam			
Height			
Studs			
Rafters			
Sheathing			

NOTE: All sheds must be anchored to foundation or earth with approved fastening device.

Please call for inspections 24 hours in advance.

Inspections required: 1. Footing – after excavation, prior to placing concrete
2. Framing – before decking
3. Final – at completion of work
